Every step you take makes a real difference. By participating in the Walk 4 Life & 5K, you help provide compassionate, life-affirming support to women facing unplanned pregnancies and ensure families receive the resources, education, and hope they need to thrive. You can participate as an individual or form a team with your church, business, family, or friends, making an even greater impact together. Your involvement shows mothers in our community that they are not alone and that, together, we can empower women to choose life and build a stronger future for families in Eastern North Carolina.
