

# Sanctity of Human Life Sunday

**January 18, 2026**

*Every Life is a Gift. Every Child is a  
Blessing. Today, we honor the God-Given  
Dignity of Life.*

**“Before I formed you in the womb I knew you.”**  
**Jeremiah 1:5**

## Celebrate the Gift of Life with Us!

Sanctity of Life Sunday is a time to pause, reflect, and boldly affirm what Scripture has always declared: every human life is sacred because every human life is made by God. In a culture that often devalues the unborn and overlooks the vulnerable, we remember that life is not a political stance, it is a divine truth. From the first heartbeat to the final breath, every life bears God's image and deserves protection, dignity, and love.

Our Church is proud to support the EPIC Center, the local pregnancy center that serves women facing unplanned pregnancies and empowers them to choose life.

### Here are a few ways you can support Life:
